

Level 2 Award in Awareness of Dementia

At Coleman Training, we understand the profound impact that compassionate, informed care can have on individuals living with dementia.

Our Level 2 Award in Awareness of Dementia has been designed to give staff working in Adult Social Care the essential knowledge and skills to provide person-centred, empathetic care.

Why learn with Coleman Training?

Our learners are our priority. With over 25 years of experience in the social care sector, we understand the needs of our workers and we are committed to doing everything we can to support them.

We believe that achieving a qualification is about far more than completing assessments and gathering evidence. It's about developing confidence, building competence, and feeling supported every step of the way.

What does the Level 2 Award in Awareness of Dementia cover?

This qualification consists of 4 mandatory units:

- Dementia awareness
- The person centred approach to the care and support of the individual with dementia
- Understand the factors that can influence communication and interaction with individuals who have dementia
- Understand equality, diversity and inclusion in dementia care

Who is the Level 2 Award in Awareness of Dementia for?

- Individuals working in Adult Social Care who want to deepen their understanding of dementia.
- Professionals in other sectors aiming to enhance their competency.
- Individuals aspiring to make a meaningful difference in the lives of those affected by dementia.
